## **Cartomancy by Luke Jermay - Buch**

**Cartomancy** is Jermay's fiercely original solution to answering unwritten questions audience members simply think about.

"I just finished reading Cartomancy... it's brilliant. The construction, the script, the thoughts hidden behind, the principles you've assembled... a lot of food for thought. Again: thank you!"

**- Julien Losa**

Armed with the cutting edge secrets contained in this book you will soon effortlessly answer unwritten questions in a staggering demonstration of fortune telling with playing cards. Your answers will astonish your audiences! You will appear to reveal specific jaw dropping details like names, dates, locations and so much more.

"Luke has given us a fabulous routine that any mentalist can make a full-time living with alone and potentially make thousands per show! Very well done!"

**- Robert Marsi**

All with no preshow work of any kind, no billets, no written questions, no complex mental systems, no difficult memory work, no secret assistants and no stooges of any kind.

"Get it! Cartomancy is soooo good! It's a self contained 35 minute show with Q & A built in; where all you need on stage is a deck of cards. It is smartly written and everything you need is covered."

**- Stuart Palm**

More than just a 'trick' Cartomancy is a full income generating professional show in three acts; complete with the exact word for word script Jermay uses night after night to astonish audiences worldwide.

The Cartomancy package comprises of 61 pages, (14,041 word) 9 x 6 professionally edited and typeset manuscript plus a 50 minute MP3 audio file in which Jermay focuses on how to give 'open' readings with playing cards. If you are a fan of Jermay and his approach to modern mentalism this is essential reading.
