
BIGBLINDMEDIA Presents Zodiac Prediction (Red) by Liam Montier

An incredible, three phase routine that allows you to predict your spectator's star sign AND selected card... and then turn the rest of the playing cards blank. All with NO moves or sleight of hand. This is mega commercial magic that anyone can do. It's a keeper!!!

"This simple routine packs WAY more punch than I ever expected. It's become a highlight of my lectures!"

- **Liam Montier**

Includes all the gaff cards you need to perform (25 Bicycle cards!), a beautiful A7 mini booklet, two black mini envelopes with 'zodiac stickers' affixed, plus downloadable HD video instructions!

PRAISE FOR ZODIAC PREDICTION:

"Liam has expertly layered devious construction with a proven, self-working card placement, and put it in a perfect package. Really commercial just got really easy to do."

- **John Bannon**

"This is just the type of effect that's up my street. Self-working but impossible to explain. There's no mucking about at all. You MUST have known their star-sign! Pure Montier magic! Love it!"

- **Dave Forrest**

"Liam has taken a great concept and added some brilliant touches to make it a modern classic!"

- **Cameron Francis**

"I clocked this trick at awesome mph: that's 1.6 awesomes in metrics."

- **Tomas Blomberg**

"Liam has taken a classical card concept and ramped up its use immeasurably! The theme of fortune telling is always captivating and this beautiful presentation, combined with the knockout finish has winner written all over it!"

- **John Carey**
