
Mnemorized Deck by Astor & on-line instructions

Included in this beautiful deck are 50 full color picture cards, which together form an easy to master memory system. You will be able to memorize the deck in absolutely no time. Any Memorized deck routine can be accomplished with these cards making the effect "Not a Card Trick".

The effects are limitless. You can accomplish much more than typical memorized deck effects. Because of the secret system contained in the deck, the cards can be shuffled even by the spectator!!!

2.EASY MEMORY SYSTEM

Using the logic of the deck's memory system you can memorize up to 50 words written by the spectator, extremely easy and fast!
