## **BIGBLINDMEDIA Presents Bicycle Karnival Xtreme Deck (Ltd Ed) - Pokerdeck**

The Karnival Xtreme is a beautiful new Bicycle Deck that combines icy blue Xray imagery with eye catching crimson highlights. The stunning designs, by renowned graphic artist Sam Hayles of Dose Productions, are both beautiful and macabre, and guaranteed to turn heads.

With edge to edge silky black designs and a brand new look for your playing cards this is a deck that **YOU WILL WANT TO USE!**

As with all Karnival Decks the cards also features the USPCC world famous Air Flow Finish for superb handling and unparalleled durability.

The deck features a blank faced card, a pair of spectacular skeleton jokers, and an xray character card - all of which are just waiting to be put to use by any imaginative magicians out there. Plus there is also a '6 of Clubs' clasped in an Xrayed hand printed on the **INSIDE OF THE BOX!** That's a potentially brain melting, and truly magical, reveal for a card!

With a print run of just 8000 units, these decks are **SERIOUSLY** rare. Grab one before they are transported into extinction.
