## **McCombical - The Wit and Wisdom of Billy McComb - Buch**

**BILLY McCOMB** was a working magician and inventor of magic for more than 50 years. He was a prolific writer, a gifted illustrator, and could invent patter at the drop of a hat for just about any effect or circumstance. *Join Billy and his friends Teller, Johnny Thompson, The Amazing Johnathan, Lance Burton, Simon Lovell, John Fisher, John Wade, Fielding West, Milt Larsen, Nick Lewin, Terry Seabrooke, Michael Chaut, Dave Cox, Sandy Marshall, and Annabel Gray* as you embark on a journey through the virtual treasure trove of Billy's tricks and effects and friends reminisce about his magical influence on their lives.

### **What Magician's are saying:**

*"Billy was to the magic fraternity what Google is to the computer generation."*

**- Milt Larsen**

*"Billy was truly one of the most creative magicians I've ever known."*

**- Johnny Thompson**

*"The depth of Billy's knowledge was simply astounding!"*

**- Lance Burton**

*"Billy taught me the difference between a guy who does tricks and an entertainer who can truly hold an audience in the palm of his hands."*

**- Simon Lovell**

*Billy... I wish we had your brain in a jar for the future."*

**- The Amazing Jonathan**
