## Run: Heat Edition - Pokerdeck

*It's a sin to let a sucker keep his money. So, leave honor in your rear view mirror, because only two things matter in this world... this score, and surviving it. **Run Playing Cards** embraces nerves of steel and a clean getaway into a superior deck of cards, with a rebellious attitude.*

Created & designed by acclaimed playing cards producer, Jason Brumbalow, the value and quality of the **Run Playing Cards** is unparalleled in its class. With a true survivor's attitude, this deck reveals its authentic, underground gambling roots in every inch of detail.

Raw, unruly attitude meets new-school design. Defiantly decked in gold foil from front to back, a bold design that drives home the pure essence of the hit and run survivor. The first deck in its class to come equipped with a hardened, protective, custom card case that's styled to perfection to achieve a raw, custom look.

**Run Playing Cards** come in 2 variations:  
Run: Standard Edition - Gamblers Green and Gold  
**Run: Heat Edition** - Crimson and Chrome

Born from the quality and proven reliability that you can expect from the US Playing card company, **Run** has a slipstream glide which provides an unmatched, responsive feel and is just plain durable as hell.

Let your chips fall where they may, but know where the exits are, because after the score, there's only one thing to do.....
