## **Emperor by MO & RYU-KA - DVD**

This is an omnibus collection DVD featuring MO and Ryu-ka who are Japan's leading young magicians. It includes selected 5 card tricks and 5 coin tricks. These will surprise magicians all over the world.

MO is in charge of card tricks and very talented. He won the third prize at Japan Close-Up Contest in 2013. He is very brilliant and he can solve any inconvenience cleverly. The Concept for the work is modern approaches to classic tricks. He pursues visual and stylish effect and leaves it deceptive. Please watch carefully his card touch. It is highly acclaimed by Lee Asher and makes the tricks more stylish.

Ryu-ka is in charge of coin tricks and extremely outstanding person of ideas. He performs highly visual tricks with flexible imagination and sophisticated technique. You might think he uses gimmick coins, but it's not true. The Concept for the work is the tricks which can be performed in the real world. He shows a lot of visual effects which seem to be workable only in the motion picture, but you can actually perform them. Although it's not easy to learn, we can assure you that it will be your reliable performance.

The explanations are easy to understand with video picture as well as text and graphics. You can learn the motion and the purpose steadily and surely.

This is the third DVD which Frenchdrop,Inc is proudly releasing to the world. It's a truly masterpiece for imagination and elaborate skills. Enjoy high-end tricks.

"Great stuff! I really like your Work! Soft hands, clever handling and japanese flow!!!"

**- Jan Logemann**

"Japan is such an incredible talent pool... In the same vein Ponta's work, a new generation of magicians offers killer materials that's guaranteed to blow any audience away! Ryu-ka presents real world workable coin magic which is both highly visual and impressive: the synthesis of modern coin techniques and his own routines. Bravo!!!"

**- Lawrens Godon**

"MO has a lovely touch with playing cards. Also, his card handling skills are

---

excellent. REWIND was my favorite. This version of the collector's plot is visual, magical, and impressive. Very cool! And, KOCKDOWN is a lot of fun. I found myself flicking the box during the entire explanation. It makes me want to practice this routine!"

- **Lee Asher**

"I always enjoy Ryu-ka's innovative ideas. He is a really creative magician and have great skills for applying eccentric concepts to practical handling. His brilliant works will inspire every coin magicians around the world."

- **Ponta the Smith**

### ***CARD BY MO***

#### **MOIL & WATER**

Two-phase Oil & Water. It has a nice tempo and a fluid handling. You can perform it without any stress.

#### **REWIND**

MO's version of Collectors. Selected cards are instantly moved between queens.

#### **KNOCK DOWN**

Aces and kings transposition with a card case. This is very simple and unique.

#### **OUTWIT**

A clever solution to Hofzinzer problem. It's very MO.

#### **REMAKE**

A remake of Reset with visual and stunning climax.

### ***COIN BY RYU-KA***

#### **FLYING COIINS**

Ryu-ka performs "Flying Queens" with coins instead of cards. It's an ambitious approach. Every time he put a coin into the cup, coin comes back.

#### **CHINK-A-CHINK**

Ryu-ka's solution to Chink-a-Chink with no extra coins. It has an amazing climax.

#### **COINS ACROSS**

---

Coins Across which uses as few bothersome coin counts as possible.

### **3FLY**

3 Fly with Ryu-ka's original technique. It's so skillful.

### **ONE COIN ROUTINE**

Ryu-ka's one coin routine. It has many moves which fanatics may be fooled.
