
Frye's Chips (DVD and Gimmicks) by Charlie Frye - DVD

Poker chip stunts are wildly popular now. You've seen them all--chip shuffling, rolling them down the fingers, etc. But you have NEVER seen a chip stunt like this! Imagine being able to spin a poker chip on the very tip of your finger. Even when you're inches away, the secret of the stunt is impossible to detect. It looks like you're REALLY balancing a chip on the tip of your finger! It looks perfect from all angles and can be done surrounded. No thumbtip.

No magnets.

No threads.

No skill required

New Principle - Easy to Do

How is it done? We can't say, but you will be shocked and surprised!

To top it all off, you will also obtain 6 bonuses, including Charlie Frye's step by step explanations of a number of impressive and real poker chip manipulations. Just this tutorial section on chip flourishes is worth the price of this collection, but this is just the bonus material! Also included is Charlie's version of the classic twirling cigarette paper, "The Paper Propeller." Learn to manipulate chips by the acknowledged expert in this genre, the Great Charlie Frye.
