
Apple, Banana, Pear by Ickle Pickle Products

Effect: Spectator selects a card, then he gives you a card, then he decides whether he wants to keep the last card or take the card he gave you. When he's finished making all of his decisions, the Prediction Card is read. It reads: *I will have the Apple. You will have the Banana. In the bag will be the Pear.* As a Bonus you can then reach into the bag and pull out a pear.

Comes complete with 4 plastic jumbo cards, brown paper back and instruction sheet.
