Populate - An illusionary appearance of a small crowd.
Introduction by Eric Olsen of EDF Magic

This is the first in a series of single illusion publications by renowned Illusion designer Mark Parker, author of illusion books 'Vivify' & 4E Illusion Design.

Populate is Parkers take on the Guy Jarrett 21 person cabinet.

In this version an elevated framework structure, screened with fabric is shown completely empty & revolved 360 degrees. In an instant the fabric is stripped away revealing the surprise appearance of 26 people.

The illusion is self contained, performed away from any backdrops and requires no black art.

A stunning and surprising appearance of a small crowd of people.

The illusion is described in detail complete with dimensions and construction notes. The apparatus required is designed to break down into individual sections for easy transport

Printed in glorious full color throughout, complete with detailed 3 dimensional illustrations.
