## **Disecto Arm Chopper by Premium Magic**

The magician brings a peculiar - looking cutting instrument on the stage. Explaining that he should test the courage of his spectators, he invites the most courageous person. Whoever comes, the magician request him to put his right hand through the hole in the Dissect. You press down the blade slowly and feels hurt. Ask him to remove the hand. Put a vegetable like a cucumber in the hole and press down the bled. The cucumber cuts in to two neatly. Now asks the spectator to put his hand again. Magician keeps his hand and slowly the blades goes down. He shows his unharmed hand to the spectator
