BIGBLINDMEDIA Presents Wormhole by Ali Nouira - DVD

Ali Nouira's WORMHOLE is a face slapping, jaw dropping, eye bulging behemoth of a magic trick. A SELF WORKING signed card to pocket!

Two freely selected and signed cards are lost in the deck (you don't even control the cards). You offer to dead cut directly to their selections. You make ONE CUT and show the top card. You missed.

But you know what, that's not surprising is it? Why not? Because after cleanly showing your hands are empty you slowly reach into your back pockets and remove BOTH SIGNED CARDS!!!

A supernaturally miraculous 'Signed Card To Pocket', WORMHOLE is dead easy to do.

No moves (no palms, forces, breaks - NOTHING). The special gimmicks do the work for you.

Hands shown empty at all times.

Regular deck - just add the gimmick and you're ready to rock.

Resets instantly.

No duplicate cards.

Gimmicks easily customizable to any deck design.

Includes hand made gimmick.
