Lennart Green is the Master of Chaos!

Disc 1 - *Professional Act*

- Command performance at the Baroque Library, University of Coimbra fully explained!

This is Lennart Green's professional act, an act that has taken him around the world, and it is explained in full. Every trick, every line of patter, every hint, tip and explanation. For the first time, nothing has been left out from the opening production of a glass of beer to the incredibly baffling card locations and the world's most mystifying and entertaining blindfold act. Enjoy the performance and then be astonished by the explanations.

Disc 2 - *Controlled Chaos*

- Card Separations
- Cuts And Shuffles
- Steals
- Special Moves

Lennart Green takes shuffled decks and magically restores them to their original order. He explains all his techniques: subtle false shuffles, secret culling and stunning productions. Now you can learn how to take any shuffled deck, find selected cards, the aces or even finish with the entire deck in numerical order.

These are practical techniques honed in a thousand performances that have earned Lennart Green his title The Master of Chaos.

Disc 3 - *Personal Favorites*

- Stonehenge
- Two Dragons
- The Terrorist
- And Many More!

Lennart's favorite close-up routines are also featured including self-working marvels like Stolen Cards, Stone Henge, Two Dragons, Something Happened and The Terrorist. Card sharps will love his poker routines, multi-phase tricks in which the performer cannot lose. Also included are his crowd pleasing Three Shell routine, Coins Thru Table and the new close-up sensations that are Orimagi and Figurine. Lennart Green Masterfile features dozens of tricks, moves and sleights as well as every single beat of Lennart's personal presentation. It is the finest DVD set Lennart ever made.
