
Essential Magic Conference DVD Set(2010)(8 DVDs) by EMC - DVD

EMC2010 was a remarkable event and this is an **incredible set of DVDs packed with great material!**

If you did not register for **EMC 2010** you can buy the DVD Box Set from your favourite magic dealer.

The **world's first internet conference for magic and magicians** is now available in 8 DVDs. Every moment was captured on hi-quality video and audio and is now available on a special EMC Boxed Set of DVDs.

Every **lecture** and **performance** given at EMC is on the DVDs, together with our Discussion Panels, Q&As, Bonus Tricks from Max Maven and T. A. Waters and our Passion for Magic videos. That's **16 hours of magical material**. Also included are the complete chat logs, hundreds of pages of online chat. Check out what our registrants were talking about throughout the conference. An outstanding source of knowledge and a real collector's item.

It's a never before seen amazing line-up. **The 8 DVDs contain performances and lectures from some of the world's top magicians...**
