
Paul Harris Presents Twilight Angel Full Deck (Red Mandolin) by Paul Harris

Twilight Angels is Paul Harris' all time favorite effect from TA. This classic PH Astonishment is finally available with a full deck of 52 different refills...so you can give away a different value card every time you do Twilight Angels!

Each 56 card deck also include two double backers and two sample bonus-effect cards: "Plucked " and "Mandolin Moves". If there's enough interest, one or both of these may be put out in full deck refills in the future.
