

Sleeveless Sleaving by Johan Stahl - DVD

On this DVD, you will learn Johan Ståhl's previously unpublished technique that helped him win prizes all over the world. "Sleeveless sleaving" makes magic that use a sleaving technique appear even more impossible. With Sleeveless sleaving you will be able to vanish, produce and transform objects with apparently rolled-up sleeves!

"Practitioners of sleight of hand will find many nice touches and food for thought here. Johan is a clever man, and one to watch."

- **John Carney**

"His work is remarkable."

- **Carl Cloutier**

"You really understand good visual magic."

- **Rick Merrill**

"Johan Stahl's DVD contains groundbreaking ideas that breathe new life into an old magicians' tool."

- **Darwin Ortiz**

"Johan Stahl does amazing things with his sleeves rolled up--things you would have never thought possible."

- **Joshua Jay**

"WOW! Your sleeveless sleaving techniques looks great! I am particularly thrilled with the cleanliness of your various visual changes. Thank you for sharing your ideas with the magical fraternity."

- **Daryl**

"This very pleasant young man does eyepopping magic. He continued to fool me with the moves he had just explained. I spent a lot of time shaking my head in disbelief."

- **Doc Eason**

"If I had this video 30 years ago I would be a better sleever than I am today..."

- **ROCCO**
