

Oddballs by Scott Strange - DVD

Advanced visual spongeball technique.

This DVD will NOT teach you how to put together funny routines or how to be entertaining. What it will teach you are some advanced visual sleights for spongeballs that you can use to put together an original act.

Included are pre-made routines that you can modify for your own use as well as a variety of new sleights for spongeballs. They require serious practice and deliver amazing results. These sleights are versatile and visually stunning when given the care and attention they require.

These effects are not self working.
