

Gazzo Street Wise by Fantasma Magic - DVD

Fantasma Magic is proud to introduce the first in a series of Fantasma produced magic DVDs, Gazzo: Street Wise.

This DVD is an invaluable tool for any performer. Whether you work the streets or not, you will become a better performer after watching Gazzo, both outdoors and indoors at Fantasma. Learn how to turn a few simple tricks into a show worthy of a standing ovation.

Gazzo, widely recognized as one of the greatest street performers in the world, gives us an in depth view into the noble, yet much maligned world of the street performer.

In a candid interview filled with insights, advice, suggestions and of course humor, Gazzo sheds light on the life of the street performer; the world's second oldest profession!

See Gazzo in action in his world famous, or should we say infamous, Street Show performed at NYC's famed South Street Seaport. Watch the master as he insults, prods, pushes and cajoles his audience with irreverent, sometimes caustic, often sarcastic, but mostly good natured humor, to everyone's delight.

Learn from this guru of the streets how to draw an audience, how to keep them watching, how to get them to give you money and how to avoid mishaps while working the concrete jungle.
