

Lennart Green Classic Green Collection 6-Disc Set - DVD

Lennart Green is one of a kind. He does things with a deck of cards that you will not believe. He is in constant demand all over the world with his amazing card magic and sense of humor. He was featured on NBC's World's Greatest Magic and makes television appearances all over the world. He is a FISM World Champion and was a featured performer at the prestigious TED Conference.

On this six-volume set of DVDs you will experience all of the wild magic that made Lennart Green a world-class magician and entertainer. You will also learn how to perform his greatest routines and the dozens of original techniques he has created to devastate his audiences.

One of the highlights of a Lennart Green performance is when he constantly separates the cards into red/back order and even new deck order. On these DVDs he shows you the many methods he uses to accomplish that. You will also learn about his passion for false shuffles and false cuts while learning the many methods he uses.
