Mamma-Mia! Thatsa Spicy Magic!

Welcome to a bravura performance and teaching session with the master of MammaMia Magic, **Aldo Colombini**. Aldo serves up a heaping helping of top-notch magic for beginners, professionals and everyone inbetween.

Highlighting this broadcast-quality DVD is a complete performance and explanation of Aldo's world famous Cups & Balls routine.

SEE & LEARN:

CUPS & BALLS - Aldo's Cups & Balls routine is the highlight of this video! Totally original and perhaps the most artistically creative Cups & Balls routine you will ever see. It's very magical, visually exciting, and has a dynamite climax.

MAMMA-MIA COIN ROUTINE - A very clean multi-phase coin routine that is easy to do and has a climax where a chinese coin vanishes and then reappears on a rope between two knots!

ACE-MBLY - An exceptionally-clean cards and coins (matrix) effect with a novel surprise ending!

ALDO'S OIL & WATER - Great work on the classic Oil & Water!

ITALIAN SALAD - An Oil & Water effect where the red cards and the black cards are alternated and then placed into a card box. With a flick of the wrist. the red cards separate and fly out of the box!

SPELL-O-ROMA - A card is selected and lost in the deck. To find it a spectator calls out any person's name and this name is spelled with the cards. The selection is found at the last letter!

BAND-O-ROMA - A card is selected and lost in the deck. A rubber band is wrapped twice around the deck. The rubber band then vanishes and reappears around only one card - the selection!

SNAP JACK - A nifty transposition of a jack and two aces inside a card case.
Very Visual!
