Card in Motion Routine

- **Quick Card Through Table:** Make a card visually penetrate up through the table, and a chosen card penetrate down into your hand. All at the same time!
- **Three-zers:** A silly pun leads into a killer revelation of a signed card. Based on ideas from Br. John Hamman and Alex Eimsley.

Imaginary Air Mail

- Direct from Doug's lecture, a handling of "thought card across" that Gordon Bean loved.

Syd's Quartet

- Syd Segal's ultra-clean version of LJ's Monarch's Quartet. You'll fool yourself.
