

Ultra Cervon Vol. 2 - Bruce Cervon - DVD

Professional Material For The Working Magician

Bruce Cervon is one of the finest and most successful professional magicians in America. He makes an excellent living by entertaining at exclusive social parties and the world's most luxurious hospitality suites. On these exceptional DVDs, Bruce teaches you in explicit detail the routines he's held back for years-the magic he performs regularly in a variety of working situations, earning him some of the highest fees paid to magicians today.

Here is volume two of a two part DVD series on the excellent magic of Bruce Cervon. In this DVD, Bruce teaches six of his prized routines and includes a multitude of techniques.

Contents include:

- **The Joker Trick & Four Dollar Confusion**
(four cards change to Jokers, then to Aces, and then turn face down)
- **Floating Aces**
(aces move with a life of their own)
- **Silent Flight**
(great Ring Flight routine)
- **Cervon Cut and Restored Rope Routine**
- **Cervon's All Backs routine**
- **Repeat Aces to Pocket**

Cervon's material is designed to make an unforgettable impression on any audience including magicians. This video teaches it all in great detail, including the tips and touches that come only with extensive experience.
