

## Ultra Cervon Vol. 1 - Bruce Cervon - DVD

### Professional Material For The Working Magician

Bruce Cervon is one of the finest and most successful professional magicians in America. He makes an excellent living by entertaining at exclusive social parties and the world's most luxurious hospitality suites. On these exceptional DVDs, Bruce teaches you in explicit detail the routines he's held back for years-the magic he performs regularly in a variety of working situations, earning him some of the highest fees paid to magicians today.

Here is volume one of a two part DVD series on the excellent magic of Bruce Cervon. In this DVD, Bruce teaches six of his prized routines and includes a multitude of techniques.

#### Contents include:

- **Warp It**  
(a modern classic)
- **Red Backed Aces**  
(exceptional ace routine)
- **To Pay The Price**  
(comedy, interactive poker demonstration)
- **Cervon Cards Across**  
(a favorite closer)
- **A Matter of Psychology and Hanky Panky.**

All routines are taught in great detail including all the tips and touches that come only through performing experience.

Cervon's material is designed to make an unforgettable impression on any audience including magicians. This video teaches it all in great detail, including the tips and touches that come only with extensive experience.
