

The Chop Cup - Brad Burt, DVD

Here is a complete treatment of Brad Burt's FAVORITE magic effect! This is "Power" magic that can be used in many situations. Imagine a one cup cup and ball routine. Imagine that a small ball vanishes and reappears in amazing ways. Penetrates the bottom of the cup. Then....TWO HUGE SOLID BALLS ONLY ONE OF WHICH CAN FIT INTO THE CUP AT A TIME APPEAR FROM BENEATH THE CUP ONE AFTER THE OTHER!!! The cup and the balls are then TOTALLY examinable!

Brad also tips his method and theory for working this true classic of magic both STANDING and SURROUNDED. This DVD is packed with information.
