

Creating Magic by Gary Kurtz - DVD

Those of you who have Gary's first DVD, Let's Get Flurious, already know the high caliber of his effects and techniques. The material on the second DVD of Gary's innovative magic is every bit as impressive. Highlighting this 85-minute broadcast quality DVD is ***Misty Like A Dream***, and entire coin act! This one item alone contains groundbreaking new sleights and moves combined to form a beautiful flowing routine-including productions, vanishes, changes and transformations. You won't believe it! Other items include:

Gary in your pockets

a "Re-Set" type of card routine where two packets of cards transpose to your pockets!

Silk Coin Vanish

Four silver dollars vanish like a breeze!

Hypothetical Possibilities

A very magical, multi-phase card routine where the spectators are taken back in time!

The Empty Hand

A method of showing your hands empty and then producing a signed card from your pocket!

Running Time Approximately 85min
