

Fernando Keops: Gambling Effects Vol 2 by - DVD

In this video, you'll see the esoteric skills of the card cheat used to accomplish effects that truly appear to be miracles. There's a great difference between card tricks and card magic, and what Fernando Keops performs in this exceptional presentation can only be classified as the latter. This is magic that's beautiful to watch and a joy to perform-and perform it you will as Fernando Keops, following the exciting performance, sits down and carefully teaches the devilishly clever methods behind each and every effect.
