

## Chinese Sticks Greater Magic Teach In, DVD

The seventh volume of the greater Magic Video Library "Teach-In" series is another classic of magic called the "Chinese Sticks."

Get your set out of the closet or drawer and learn from the "Pros" how entertaining they can be!

Six different routines by five performers who will demonstrate their routines and methods that they use in their entertainment repertoires.

You will enjoy Howard Hale's version, based on the Fred Kaps original routine. Pete Biro will give us two different routines with comedy bits. Colombini will make you laugh with his funny routine and patter. Joe Stevens will show you his routine that he uses in every show he does. And finally, to close the DVD, enjoy Charlie Miller and his classic vintage routine that he used for years.

There is a saying in the world of magic, that if one learns and performs the classics of magic, they will always have an entertaining act. The Chinese Sticks is certainly one of the classics that has stood the test of magic times.
