

Dan Tong: FINALLY! - 50 Years Of Magic Volume 2 - DVD

"Does the world need another video?... Well it 'does' need a video from this man. Danny Tong is a man who has done it all. Anytime a pro like Danny Tong wants to tip some prize information, I am ready to receive it. I was so glad to hear that we are able to have some pearls of wisdom from one of my favorite entertainers. I treasure the times that I have spent with him and can't wait to have him on my television anytime I want."

- **Doc Eason**

"The Egg Bag routine is alone worth the price of the DVD. The other items are a great bonus."

-**Tom Craven**

VOLUME II:

Malini Egg Bag: This 3 phase routine with spectator ends with the production of a glass liquid. Joe Lefler said, "This routine has to be seen to be believed".

Chop Cup: A short, fast routine with this prop that does not promote a gambling theme.

Card on the Ribbon: A slight change in the presentation of this great Jack Chanin trick creates a second effect and leaves you clean.

Thompson's Aces: As an opener for a card routine, this in the hands, ace production would be hard to beat. From a shuffled deck, you will produce the four aces, one at a time, while cutting the cards. Combine this production sequence with "Christopher's Red and Black Aces" (Daley's Last Trick) and you will have an easy to follow routine that does not require the spectator to take a card.

Ropes: A rope routine that runs the gamut from C & R rope to Professor's Nightmare to a 3 to 1 restoration. A complete act on it's own.

Bonus:

Jack: A minor change in this old trick adds another laugh and extends the climax.

Running Time Approximately 1hr 18min
