

## Greater Magic Volume 19 - Tom Mullica - DVD

"My goal as an entertainer is to be remembered...PERSONALLY, not magically!  
When they love YOU...you can get away with anything!"

**- Tom Mullica**

When's the last time you had a good laugh? Been too long? Well this will quench your desire to chuckle for a long time.

Welcome to the madcap adventures of Tom Mullica, who reigns as magic's comedy king. For years Tom held court nightly at his Tom Foolery bar in Atlanta, treating spectators to his gum chewing, cigarette swallowing chicanery.

He's recreated the act here, complete with off-the-wall witticisms, death-defying acts with matches and aerodynamic magic.

It's Tom's style that captured the grand prize in the 1984 Desert Magic Seminar's close-up contest. And it's certainly that same style that's won him a following nationwide.
