

The Cloak by Justin Miller - DVD

The **Cloak** is a brand new elastic hook-up that will:

- Minimize breakage by 99%!
- For the first time ever...freedom in your floats and animated effects that you did not have before, this has got to be seen to be believed
- Flotation,movement,and animation on almost any object with pinpoint precision!
- No jerky body motion or suspicious moves

This DVD includes:

- The cleanest most astounding, not 1 but 2 card Haunted pack ever!
- The most bizarre card reveal EVER. The card creeps out of deck and then turns itself face-up to reveal it is the chosen card. Everything is INSTANTLY REPEATABLE and EXAMINABLE. The spectator believes they did all of the work!
- A rising card that defies all possibilities...did I mention you NEVER TOUCH the cards... the spectator does all the work?
- And so much more!
