

Candles! by Michael Lair - DVD

The creator of Fantasio candle effects Spitfire, Firefall, and Candle Rewind gives you the following exciting routines on this tape:

Candle Basics - A description of the appearing and vanishing candles is given and basics on how to use them.

Firefall - A lit candle vanishes in a shower of sparks. Several magicians are using Firefall to open their shows!

Spitfire - A candle appears lit any time during your show!

Candle Rewind - A candle changes into a 30' ribbon! The audience loves it.
