

Standing Room Only: Volume 2 by Steve Draun - DVD

Though long acclaimed as a cardman, Steve Draun has approached dice, coins, linking rings and virtually all substrates of magic with equal passion and perseverance. It's for this great effort, and for his long-time experience, that such a high degree of bafflement permeates the magic of Steve Draun. This is also why his material is so greatly worthy of study and appreciation by anyone who seeks to better their own performance of magic.
