

## Explicit Footage: Tome by Sean Fields - DVD

Mentalism is, by its very nature, an implicit art.

But it doesn't have to be!

Sean Fields created a sensation when he published Explicit Content.

With **Explicit Footage**, Sean continues to push the boundaries of conventional mentalism.

### Episode 1 - Tome

Imagine causing a thought of page to visibly tear itself out of a book!

That is exactly what happens in Tome!

- Works with almost any book.
- Angle proof.
- Resets in seconds.
- Everything can be examined. The book. The page. The performer. Everything.

This is the book test. Redefined.
