

Bootlegs and B-Sides - Volume 2 by Sean Fields - DVD

For the first time ever on DVD, Sean Fields has assembled some serious card magic.

Bootlegs & B-Sides Vol.2 contains Sean's innovative and commercial approaches to classic card plots, such as *The Invisible Deck*, *The Card Prophecy* and *The 4 Card Production. Dotz*, Sean's inspired interpretation of Mike Power's Holey Terror is worth the price of the DVD alone!

With his unique and laid back style, Sean teaches you each effect step by step. Don't expect to have your hand held though; it is assumed that you have a basic knowledge of card magic. Newbs, don't waste your time.

Effects include:

A prophecy torn

An innovative approach to the classic Card Prophecy effect.

Dotz

Sean's interpretation of Mike Power's classic Holey Terror plot.

Surreal

A stunning card revelation, that truly looks surreal.

Thoughtwave

A thought of card is found reversed in the deck. No gimmicks, no B.S.

Understrip

Sean's stunningly visual 4 card production.
