

## **World's Greatest Magic: Sponge Balls - DVD**

**Imagine the best magic, the best magicians, and the best producers all in one place.**

**Imagine no more...**

### **The Secrets of SPONGE BALLS**

*A virtual goldmine of routines, sleights and subtleties with sponge balls!*

If you could have one set of magic DVDs, this would be it! This benchmark collection features just about all of magic's most enduring and classic effects and routines. It's a fabulous compendium with many of the top masters in the world of magic teaching their handlings and routines for some of magic's classics. Linking rings, sponge balls, metal bending, cups and balls, thumb tips, Zombie, color-changing knives, and many, many more topics are all gathered in this one terrific DVD reference set. Each volume covers a specific subject and features new, old, and sometimes rare footage by some of the top video producers in magic.

You'll find a sponge ball routine in almost every close-up performer's repertoire and in this volume, you'll discover a virtual encyclopedia of sponge ball magic. Routines from thirteen of the best sponge ball workers of all time have been collected in one place for the first time, making this DVD the most comprehensive reference work on performing magic with sponge balls ever produced. You'll learn many unique vanishes, moves and stratagems to build your own routine or to plug into the routine you already do.

You'll see past masters such as Albert Goshman and Frank Garcia. You'll learn great basic routines from Daryl, Mark Leveridge and Steve Darci along with unique twists from Frank Balzerak, Jon Tremaine and Aldo Colombini. And, if you're looking for sensational ways to end your sponge ball routine, there are jaw-dropping endings by Flip, Eugene Burger and Roger Klause. For good measure, there are completely different takes on sponge ball work, such as Johnny Thompson's handling of Roy Benson's classic bowl routine and Michael Finney's routine, suitable even for large audiences. You'll never find more diversified and usable information about one of close-up magic's most ubiquitous effects gathered together in one place than in this amazing collection.
