

## Explicit Footage: Benz by Sean Fields - DVD

Mentalism is, by its very nature, an implicit art.

But it doesn't have to be!

Sean Fields created a sensation when he published Explicit Content.

With **Explicit Footage**, Sean continues to push the boundaries of conventional mentalism!

### Episode 2 - Benz

Imagine causing a borrowed coin to visibly bend!

In this episode of **Explicit Footage**, you will learn:

- **The Bounce Bend** - The coin bends in MID AIR while being tossed hand to hand!
- **The Shades Change** - An unbelievable bend that defies conventional thinking!
- **On Contact** - A incredibly simple, and equally visual bend!
- **How to assemble the Benz Bender**; quite possibly the BEST coin bender in existence

This is metal bending. Redefined.
