

Matrix (includes online instructions) by by Mickael Chatelain - Trick

Effect

4 holes are in each corner of the card. And with his two fingers the magician moves the hole one by one.

After that, 4 holes are all in the same corner... It's amazing !

It's like with coins, but with a playing card...Why nobody thinks this idea before!

Description:

- A really good production quality for this card - perfect gimmick
- You can show it to the spectator, flash the back card, make a change and give the card to the spectator
- 3 cards and online instructions - 1 gimmick and 2 examinable cards

"Have you seen this card?? It's Incredible!"

"The best gimmick since very long!"

"After Numberground, the new Mickael Chatelain's effect!" : SFP Jay Sankey in FFAP congress : "It's amazing, so perfect, so slim,...really really good!"
