

Treasures Vol 3 by Alexander DeCova - DVD

Multiple award-winner, Alexander De Cova has been one of Germany's top professional magicians for over 12 years. His creative and innovative thinking shines through in this, his first English language DVD series.

Here you will find visual, baffling and commercial magic that will delight you and your audience. Most of the material is relatively easy to learn and perfectly suited for the stand-up performer. You will also find many new tips and insights for enhancing your own present material.

All in all, enjoy the magic of one of Germany's most creative magicians!
