

## Technical Dove Tosses by Dan Sperry - DVD

In this whimsical DVD the infamously mercurial Dan Sperry takes you backstage to learn the inner secrets of return flight dove training. You will learn step by step how to properly train your birds for a near 100% successful return toss rate in literally any condition!

Dan begins by giving you a little background into the training process and his secrets to developing this method. He will then take you backstage to where he performs nightly in Las Vegas with two untrained return flight birds and you will see the steps he takes day by day to train his birds to return with incredible accuracy. Within one week Dan had two doves returning by day 8 you get to see him use them in a live performance.

Once you are ready to learn some new ideas in dove tossing Dan teaches his acclaimed tossing techniques for a more natural looking dove toss for maximum impact of your productions. You will also learn Dan's incredible handling of these eye-popping effects:

- Dove in Balloon Technique.
- Ball to Dove Technique.
- Dove from Silk Toss Technique.
