

Plague Doctor (Blackout Plague) by Anti-Faro Cards - Pokerdeck

The SPECIAL BLACK version of the **Plague Doctor Playing Cards**.

The **Plague Doctor Playing Cards** offer a fully customized experience like no other. Every element, from the tuck box to the pips, face design, back design, and even the world map, is meticulously crafted to reflect real-life incidents and historical accuracy. As you open the display of the special versions like a book, a stunning pop-up figure of a plague doctor emerges, adorned with wings and a scythe.
