

Maija: Propless Name Guess by Fraser Parker - Buch

Introducing **Maija Propless Name guess** by Fraser Parker

"So you've learnt to truly read minds? Awesome!"

- **Cedric Taylor**

"There are key moments in the history of art. I can say from firsthand experience that this is one of those moments and the release of this will mark a huge leap forward in prop-less Mentalism and for the art form itself."

- **Matt Overd**

*"That looked f***ing real! The reveal hits so hard. I love it! I'm definitely buying bro."*

- **Padilla John**

Maija is a propless name guess where the spectator never says a word.

Note: This method only works with English names. It can be used to guess names and star signs. Fraser's method for guessing a date of birth is not included in this release.
