

Enchanted Water Well by Mago Flash

The Enchanted Water Well

by Mago Flash is a fresh take on the classic solid-through-solid illusion. The design showcases a charming wishing well concept, complete with an enchanting frog that assists in transporting coins from one side of the well to the other.

Features:

- **Special for coin magic.**
- **Enhances your class with children's magic.**
- **Easy to do!**
- **Very visual and fun!**
