

SLEEK by Jeki Yoo

This cool magic lets you turn a **Credit Card** into a pair of stylish **Sunglasses** in seconds.

It's super easy to use, so anyone can do it and look cool. It's great for social media and live shows, making it a hit wherever you go. Carry it with you every day and be ready to impress your friends with a fun trick that's also a great fashion statement.

Plus, there's no cleanup needed after you finish the trick. I've spent 2 years developing this to make it perfect for everyone!

Instant Transformation: Effortlessly converts credit card into stylish sunglasses in just seconds, offering a surprising change.

Easy to Perform: Designed for simplicity, making it accessible and performable by anyone, regardless of their magic skill level.

Ideal for Social Sharing: Perfect for capturing and sharing on social media or performing live, adding a fun and engaging element to your content or shows.

No Cleanup Required: Once the trick is done, there's no mess or fuss to worry about, making it hassle-free.

Fashionable and Practical: Not only is it a cool magic trick, but it also serves as a fashionable accessory, merging entertainment with style in a visually striking way.

No DIY, Self-Contained Gimmick Included: Everything needed for the trick comes ready out of the box, with no assembly required, making it even easier to get started.

Gimmick Without E.T: The gimmick is designed without the use of E.T. ensuring durability and a strong performance every time.

"Jeki is a master of social media magic. He creates memorable, stunning & magical visuals. I predict SLEEK will be one of his most popular social media magic releases!"
