

F*ing Cards (Orange Blackout Edition) by Ame Molin**

Never Bored Again.

"I have my "Fing Cards" by Ame Molin. There is a before and an after!
#GameChanger"***

- Jorge Blass

"Fing cards are amazing! Trainers that are light, feel great to use and
visually very beautiful. I always carry them with me!!"***

- Inmagic (Influencer)

F*ing Cards**

**help to improve hand strength and dexterity and you will practice
anywhere.**

F*ing Cards are the perfect content creation tool. Visually eye catching,
resistant to water and drops. Create new visuals everywhere.**

**A perfect tool to exercise your imagination and create like never before.
New videos, new moves, new vibe. Different ways to play and create with
your f***ing cards. Alone is addictive... together is chaos.**

Made from resistant plastic. Never feel restricted when playing with F*ing
Cards. No need to be worried about dropping them, bending the corners or
wetting them. Play and create!**

Slim 3 pack guarantees you always have your F*ing Cards with you at all
times... Takes up minimum pocket space (keys, wallet and F***ing Cards...
the essentials).**

**The especial surface texture makes separating the individual packets
easier than ever... no more sticking. Design is key, integrated into the
design is a circle in the center perfect for card spinning (pirouette).**

Stand out everywhere, a new accessory to complement your outfit!

Remember:

- **Slim 3 pack design**
- **Resistant and waterproof**
- **Eye catching**
- **Be careful, it is addictive!**
- **Limited sets available (numbered) and there is a 10% chance to get a B.I. Holder (Inverted Colors) ... will you find a set?**
