

Monet - Pokerdeck

Based on **Monet's** classic work "Water Lilies," we have crafted an embossed tuck box with a unique numbered seal. The combination of blue and silver highlights a retro aesthetic.

The center of the tuck box features a hollowed-out design, with gold foil accents inside. With a double-layered structure, the cards are removed from the side, adding a sense of ceremony.

It's worth mentioning the face of the cards; all 52 cards and 2 jokers feature cold foil stamping, giving the background a cold foil effect, enhancing the three-dimensional and aesthetic appeal of the artwork.
