

WOW 3.0 Business Card Version Limited Edition (JAPAN)

If you put a blank business card in the case and cast a spell on it. In the next moment, the face of the card gradually and clearly transforms into a magician's business card. The visual appearance is almost like a CG image. Finally, you hand out his business card to the spectator and finish your performance.

- Business card size is 91mm x 55mm, which is commonly used in Japan.
- Please use a white business card (single-sided printing).

Instruction is provided through a video. You can watch the explanation video by scanning the QR code in the package.
