

Ultimate Collectors (Red) by JT

Ultimate Collectors

created by JT is the ultimate version of the classic 'Collectors' plot.

4 Aces are displayed on both sides and put aside. 3 cards are chosen, vanish in the deck and reappear between the 4 Aces. The effect is just as described.

- Very easy to perform. Doesn't require any difficult sleight of hand. Even the beginners can do it immediately.
- The routine is so clean and direct. Looks like real magic!

Advantages:

- After the 3 chosen cards vanished, the spread can be displayed on both sides. The vanishing method is innovative.
- The cards appear between the aces can be given to the spectators as souvenirs. The Aces can be displayed on both sides.
