

Tic Tac Toe Lite (Large) by Bond Lee and Kai-Fu Wang

Tic Tac Toe Lite

based on the creative ideas of Kai-Fu Wang, Bond Lee has taken the magic to another level.

Tic-Tac-Toe is a classic paper and pencil game between two players, now we have turned it into an interactive game between the magician and the audience. Each player takes a turn placing Xs and Os on a 3 by 3 grid. After completing the game, the magician reveals a surprise ending!

After Tic Tac Toe receiving great reviews from the magic community, we have decided to make this fantastic routine more portable and easier to use.

This lite version comes in 3 sizes, satisfying most close-up and parlor performance situations. Two designs are provided, and you can freely customize your own design.

The perfect magic for everyone!
