### **Tic Tac Toe Lite**

**based on the creative ideas of Kai-Fu Wang, Bond Lee has taken the magic to another level.**

**Tic-Tac-Toe is a classic paper and pencil game between two players, now we have turned it into an interactive game between the magician and the audience. Each player takes a turn placing Xs and Os on a 3 by 3 grid. After completing the game, the magician reveals a surprise ending!**

**After Tic Tac Toe receiving great reviews from the magic community, we have decided to make this fantastic routine more portable and easier to use.**

**This lite version comes in 3 sizes, satisfying most close-up and parlor performance situations. Two designs are provided, and you can freely customize your own design.**

**The perfect magic for everyone!**
