

Fire Deck 2 (Blue) by Anthony Vasquez

The **Fire Deck** creates a real flame when you open the flap of the deck, instantly surprising and captivating your audience. Designed with a silent mechanism, it ensures that the trick is performed without any unwanted noise, keeping the audience's focus on the magical effect. Additionally, it is easy to use, suitable for both beginners and experienced magicians.

This deck is versatile in routines, allowing you to perform a wide variety of tricks and routines.

The **Fire Deck** is:

- Very visual
- Portable
- Silent system
- Easy to use

Available in red and blue.
